

## **UPDATED ANNOUNCEMENT**

*Re: Training on “Information Storage and Management” (ISM)  
EMC Academic Alliance Program on April 6-10, 2015  
Institute of Computing, USEP, Bo. Obrero, Davao City*

Last year, EMC, through its Academic Alliance Program, and in partnership with ICT Davao, Inc., held an Orientation Seminar on Cloud Infrastructure Services for IT educators in Region 11. The successful seminar was endorsed by CHED XI. It was then agreed that a follow up training will be held this year.

I am therefore pleased to inform everyone that EMC will hold a free training for IT faculty on “Information Storage and Management” (ISM) on April 6-10, 2015. The venue will be at the USEP Institute of Computing at Bo. Obrero, Davao City. Once more, the activity is endorsed by CHED XI, and co-sponsored by PSITE XI and USEP-Institute of Computing.

Please find attached the topics that will be covered by the training activity.

The benefits of the EAA Program participation include: (a) choice of courses which educational institutions can offer to their students; (b) complete teaching methodology, training material, student and faculty guide for delivery purpose; (c) access to online E-learning tools; (d) access to a “Secure Online Repository” to download teaching materials, e.g. Expert Lectures/Technical Webcasts/Webinars for student/faculty; and (f) access to software simulators/Lab guide.

The training activity is **FREE OF CHARGE**.

### **Criteria for Selection**

In selecting your participants, please note the following criteria as recommended by PSITE XI:

- Participants should be a regular full time IT Faculty member of HEIs in Mindanao;
- He/she must have experience or knowledge in Computer Networking, Database Management and Programming;
- Applicants should be endorsed by their respective Dept Heads or Deans.

### **Obligation of the Participants/Sponsoring HEI**

- Must attend all Training sessions and finish the 5-day training;
- Must take the certification examination (day 5 of the training);
- Must register HEI with the EMC Academic Alliance Program (see EMC website);
- Must offer ISM as an elective course of the HEI.

Due to limited seats, the training is open only to a maximum of **two (2) faculty members per education institution**. Please accomplish the attached confirmation form, and the contact information of you nominated faculty members. **Deadline for confirmation is extended to March 31, 2015.**

Very truly yours,

  
SAMUEL R. MATUNOG  
President, ICT Davao, Inc.

### **About EMC Corporation**

EMC Corporation is a global leader in enabling businesses and service providers to transform their operations and deliver IT as a service. Fundamental to this transformation is cloud computing. Through innovative products and services, EMC accelerates the journey to cloud computing, helping IT departments to store, manage, protect and analyze their most valuable asset — information — in a more agile, trusted and cost-efficient way. Additional information about EMC can be found at

### **EMC Academic Alliance (EAA)**

EMC Academic Alliance (EAA) is an education initiative of EMC where we partner with leading Universities and bring the benefits of leading industry technology knowledge and research to the students. EAA Program comes at zero cost to the Universities and students and is aimed at developing skill sets in the niche areas of:

- Information Storage and Management
- Cloud Infrastructure Services
- Data Science and Big Data Analytics
- Backup Recovery and Archive

### **Benefits of EAA program to the institutes/Universities:**

- Institute post enrolling for EAA program can choose courses which they intend to offer their students;
- Institute will get the complete teaching methodology, training material, student and faculty guide for delivery purpose;
- Faculty of EAA partner's institute will get access to online E-Learning tool to enable self on these subjects;
- Faculty will also have access to an 'Secured Online Repository' to download teaching material;
- Expert Lectures/Technical Webcasts/Webinars for student/faculty;
- Access to software simulators/Lab guide for student hands on

### **Course Outline - INFORMATION STORAGE and MANAGEMENT (ISM)**

Module I	Introduction to Information Storage
Module II	Data Center Environment
Module III	RAID
Module IV	Intelligent Storage System
Module V	Fibre Channel Storage Area Network (FC SAN)
Module VI	IP SAN and Fibre Channel over Ethernet (FCoE)
Module VII	Network Attached Storage (NAS)
Module VIII	Object based and Unified Storage
Module IX	Introduction to Business Continuity

ICT Davao Inc

Module X	Backup and Archive
Module XI	Local Replication
Module XII	Remote Replication
Module XIII	Cloud Computing
Module XIV	Securing the Information Infrastructure
Module XV	Managing the Information Infrastructure

Sir/Madam:

I am pleased to confirm the participation of \_\_\_\_\_ (name of School) in the EMC<sup>2</sup> training on “Information Storage and Management” (ISM), and we nominate the following faculty members to attend the training activity:

No.	Family Name	First Name	Telephone	Email
1.				
2.				

Thank you for your kind consideration. I am,

Very truly yours,

\_\_\_\_\_ (Full Name and Signature)

\_\_\_\_\_ (Designation)

\_\_\_\_\_ (Date)
